

Caterpillar S.A.R.L.
CP 6000
1211 Geneva 6, Switzerland

For release in Europe, Africa and the Middle East: 19 January 2010

Caterpillar® will display close to 60 products along with innovative solutions at world's largest construction trade fair bauma 2010

Continuing with its established theme focusing on the success of our customers, Caterpillar together with its German dealer Zeppelin will exhibit the latest products and solutions at bauma 2010 under “Your Success. Our Commitment.” – a theme highlighting continued focus and full commitment to supporting the business success of Caterpillar customers. The stand, located in the hall B6 and the adjoining outside area, will cover a total of 10,700 square meters.

Close to 60 high-quality, reliable Cat® machines will be on display covering products from the 301.6C mini hydraulic excavator to the 993K large wheel loader. In particular, new and updated products will include M325D L material handler with port handling attachment, AP555E asphalt paver, 434E Mechanical and 432E backhoe loaders, 988H large wheel loader, 50 DEM demolition excavator, TH417 telehandler, P200 series hydraulic concrete pulverisers and a new quarry body for the 770 rigid-frame off-highway truck. Many more new products will be on display for the first time in Europe.

In addition to the machines, the Caterpillar stand will feature a central area dedicated to practical, business driven innovations, technology and services designed to help customers' success, lessen environmental impact and work more safely. Most importantly, the area incorporates information on Tier 4/Stage 3B solutions, the D7E electric drive track-type tractor, as well as connected worksite technology with next generation Product Link and new integrated Cat Grade Control. The area also presents the Caterpillar EcoDrive concept, simulators for several Cat products and consultancy for a quarry site assessment.

Other features of the Cat stand will include a large outside Cat Rental Store area featuring information about the Caterpillar global rental network as well as the German presence, Cat Financial on-the-spot service and Cat Merchandise shop with a wide selection of the well-known, Cat-branded shoes, clothes and accessories. Located in Building A4, the Caterpillar Industrial Power Systems Division will feature its complete range of Tier 4/Stage IIIB engines.
